

ESSENTIALS IN PEDIATRIC RADIOLOGY (LEVEL I-II) - 3RD EDITION

TRAINING FOR CENTRAL (AND FORMER
EASTERN) EUROPE

This is a course organized by the **Paediatric Radiology Group of the Romanian Radiological Society (GRP-SRIM)**, with the help of the **Division of Pediatric Radiology, Department of Radiology, Medical University of Graz (MUG) / Austria**.

The **European Society of Paediatric Radiology (ESPR)** included the course in its outreach programme and is its main sponsor.

The Children's Hospital and University of Brasov are hosting the course.

After two years, an „Advanced” (Level III) course is planned, for a selection of participants that completed previous „Essentials” courses.

APPLICATION CRITERIA

Maximum 32 participants (about half from Romania and half from C/E-Eu countries such as: Albania, Belarus, Bosnia and Herzegovina, Bulgaria, Estonia, Kosovo, Latvia, Lithuania, Macedonia, Moldavia, Montenegro, Serbia, Slovakia, or Ukraine).

Young radiologists (first years after certification) or last-year residents, wanting to commit themselves (in a significant proportion) to pediatric radiology, employed (under a long-time or unlimited contract) in a big hospital (county, municipal, or mono-specialty) having at least 1-2 pediatric clinical departments and at least 3-4 radiologists, but no dedicated pediatric radiology.

Applicants from areas with the least pediatric radiology service and training will be given priority. First come first served, if criteria do not allow a ranking of applicants.

A few travel grants (200€ or 350€) will be provided by the ESPR for very-low-income countries, on a first-come first-served basis. A proof of overall income should be provided together with the application for registration, if a grant is requested. Reimbursements will be made after the end of the course; proof of costs will be necessary.

ESPR covers a 50% reduced registration fee for radiologists in training (Residents).
